Ideal for boardroom, training room or classroom settings. This mobile cart is height adjustable and accommodates both a laptop and projector, ensuring audio video presentations are organized and efficient. Sturdy construction includes heavy gauge steel tubing that forms a backbone for composite wood panels finished in durable PVC laminate. The projector and laptop shelves are individually height adjustable in increments, with the laptop shelf also tilting for comfort. Dual locking screws and an equipment stop on the laptop shelf add security. The storage compartment also locks to safeguard valuable equipment when not in use. Mobile castors include locks on the front wheels. Ships in ready-to-assemble format with a one-year warranty.
